# Speciale

The Speciale range consists of all glass showcases. Designed to allow full content viewing, without any obstruction to the items on display, Speciale takes a modern and stylish approach.

Made of the highest quality, 4, 6 and 8mm toughened glass, these units work perfectly within retail, museum and art gallery environments. This range consists of tabletop units, all-glass display cases ranging from 90cm to 180cm in height.

## Finishes:

Laminated Graphite Grey

## Features:

Locks
