# Curved 2

Our sleek Curved 2 Cabinets are the perfect blend of design and quality. Suitable for any residential or commercial usage, this range is available in a variety of colours and is installed with wheels at the base for ease of placement. Our curved glass cases come in a variety of sizes and with adjustable shelves so they can be personalised to your specific product needs, as well as offering LED lighting and lockable doors as standard.

Manufactured using tempered safety glass, this display case is highly durable and long-lasting. This display cabinet includes a lockable feature making it the perfect solution to display valuable items, artefacts and gifts.
